# Learning in the Wild Program

Dubai Safari Park proudly offers the Learning in the Wild program, designed to provide students with enriching educational experiences that connect classroom learning to real-life wildlife and conservation issues. This program features lessons tailored to various age groups, ensuring that all students can engage with the material in meaningful ways.

In the educational session, a dedicated teacher will be there to guide the lesson.

Little wildlife explorers will have the chance to meet the animal up close and talk to its keeper. This is a great opportunity to ask detailed questions!

# Outreach program

Dubai Safari Park offers a comprehensive outreach program aimed at educating the students about wildlife conservation and the importance of protecting endangered species. The program is designed to engage students and raise awareness about conservation efforts through interactive presentations and hands-on activities.

# Dubai Safari Park Experiences

Home to 3000 animals

Dedicated animal viewings across 6 zones

2 Safari Adventures (experiences)
